Please Consider the Following

Your sacrificial donations are important to assist in the day-to-day operations of our parish community. Churches in Canada ***do not*** receive support from Government Grants or from any other sources - we depend solely on the donations of our parishioners to operate the parish. Your donation helps cover the cost of pastoral programs, educational material, maintenance of parish buildings, staff salaries, heat, hydro, office expenses, etc. Your donations also help us to save so that the parish will be cared for in future generations.

Special Collections help us to fulfill obligations we have toward our Diocesan Church and the Catholic Church in Canada and throughout the world. Your help with these obligations is much needed and appreciated.

When determining how much you wish to donate each month, please stop to consider the buying power of the amount you are donating in comparison with your own expenses. For example, the amount you may spend on coffee each week, or the cost of one tank of gasoline for the car, or even on what you may spend on entertainment or alcohol each week. What does your contribution say about the importance that you give to God in your life? As a benchmark for giving, many people use one hour of their wage per week. We *deeply appreciate whatever you are able to contribute*. Please consider your donation prayerfully and carefully.

Regular Sunday Collection

PLEASE NOTE: Due to service charges paid by the parish for this service, this method is cost efficient for minimum donations of \$20.00 per month. For donations less than this, it is highly recommended that contributors use envelopes.
